

Permission to Use Photographic Likeness (Model Release)

I, _____, (hereafter called "Subject") grant the following rights and permissions to _____, (hereafter "Photographer"), his/her heirs, legal representatives and assigns, those for whom Photographer is acting, and those acting with his authority and permission. They have the irrevocable, perpetual and unrestricted right and permission to take, use, re-use, publish, and republish photographic portraits or pictures of Subject or in which Subject may be included as specified below. Such use may be in whole or in part, or composited or distorted in character or form, without restriction as to changes or alterations, in any medium now or hereafter known, specifically including but not limited to gallery display and similar exhibits, print and broadcast media, distribution over the internet, for illustration, promotion, art, editorial, advertising, trade, or any other purpose whatsoever.

Subject specifically consents to the digital compositing or distortion of the portraits or pictures, including without restriction any changes or alterations as to color, size, shape, perspective, context, or foreground and background. Subject also consents to the use of any published matter in conjunction with such photographs.
